Box No. II	Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)
1. Claims	al search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons: s Nos.: se they relate to subject matter not required to be searched by this Authority, namely:
	s Nos.: se they relate to parts of the international application that do not comply with the prescribed requirements to such an that no meaningful international search can be carried out, specifically:
	s Nos.: se they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).
Box No. 111	Observations where unity of invention is lacking (Continuation of item 3 of first sheet)
This Internation	nal Searching Authority found multiple inventions in this international application, as follows:
is to set acceptor gas or l The specinstall operator	the installation intervals of the jetting holes so that, when the is formed in the recessed shape with a diameter of D, at least one iquid jetting hole is present in the area of constant x D. cial technical feature of the inventions in Claims 3 and 5-7 is to a jetting hole open/close means having the open/close pivot on the side. cial technical feature of the inventions in Claims 13 and 14 is to seed to extra sheet)
1.	required additional search fees were timely paid by the applicant, this international search report covers all searchable
2. As all	searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of Iditional fee.
	ly some of the required additional search fees were timely paid by the applicant, this international search report covers those claims for which fees were paid, specifically claims Nos.:
	equired additional search fees were timely paid by the applicant. Consequently, this international search report is cited to the invention first mentioned in the claims: it is covered by claims Nos.:
Remark on Pr	payment of a protest fee
	The additional search fees were accompanied by the applicant's protest but the applicable protest fee was not paid within the time limit specified in the invitation.
	No protest accompanied the payment of additional search fees.
